Hey David,

I wanted to give you some background on this request from Don. I talked with Terri and I asked her about Saturday and she said we needed to talk with you because you had to have certain people on-site to receive the TSCA waste. I mentioned to her with the rain forecasted this week and next that it was putting us behind schedule. We just wanted to see what it would take for the landfill to be open to us for Saturday.

Thanks

Gary Moore

Good afternoon, David.

Is there a possibility to haul TSCA into Itasca this Saturday, weather and manpower permitting?

Thanks,

Don
